Dear Parent/Carers,

I hope you have all had a lovely summer break, it was really nice to see you and the children on the first day back.

Unfortunately, we have a member of staff who has a very extreme allergic, life threatening reaction to apples. This means that we have no choice but to ban apples and any products that contain apples in school.

If your child has eaten apples before coming to school, please make sure your child's hands and face have been thoroughly washed before entering the school.

We appreciate your support. Please complete and return the slip below so we know you have received this information.

Please contact me if you have any questions.

Mr. D. Gordon  
Head of School

---

I agree to do my part in keeping the school apple free.
